List of heads of state and government by net worth

From Wikipedia, the free encyclopedia

Jump to: navigation, search

This list is incomplete; you can help by expanding it.

This is a list of **heads of state** and **government** by their **net worth**, mostly of their liquid assets in US Dollars. This list should not include crown property and other material goods (although these are sometimes difficult to separate depending on the source) as of August 2008.
